

## Thanks to you all

---

Professor S. Venkateswaran for always encouraging us and inspiring us.

Professor L.K.Maheswari, Professor K.E. Raman, Professor V.S.Rao.

Professor G. Sundar and Professor Suresh Ramaswamy for guiding us and helping us in all ways possible.

The LHSA for always being there for CF.

Bhomiaji and the entire staff at SWD have been immensely helpful.

Aditi Pany, Arun Shiam Kumar and the rest of the Students' Union for helping us along this difficult journey. A special thanks to Ravi and Yashwant, who have always stood by us.

Abilin for being the excellent senior that he is and for being the person who decided that CF should grow up. He was the one who introduced me to this entire new world and has been there by my side throughout.

Shuvadeep for all the encouragement he has given me as a friend and senior whom one can trust. He has always supported me, cheered me up and never let me feel that I was away from home.

Puranjay for the immense help he has given us. But then he has been associated with CF for four years now. Without him we would have had a tough job.

Nitish Nair for being the only senior who would be so accommodative to my whims and fancies and change various articles over and over again.

Aurovind and Avishek for being the friends I trust more than I trust myself. Their being in the team meant I did not have to worry about the art section or the money matters.

Chitra has always been there to correct me and tone me down to levels of sensibility. In fact without her continuously double-checking on everything I did, things would not have been so easy.

Aparajith, Hema, Geetha and Harini, from press to CF we have travelled a long way together. Thanks a lot.

Mouthgalya, Bheem, Chandy, Dipu, Joseph, Aashutosh, Somu, Krishna and my other wingies for tolerating my occasional outbursts and ME.

Abir, Kaushik, Rajarshi, Sohini, Debo, Soumya Paul, Aparajitadi, Simlidi, Gargidi and the entire Moruchhaya.

Joseph's cycle and Auro's comp; the only two things that have been dealt severely with.

*mirror, mirror on our world...*

Bugs, Sul, Jimit, Eenakshidi, Meenakshidi, Bharathi and the EPC, a club that has always been truthful, till now.

Visky, Shammi, Sundeep and Shailesh for letting me into the core of BITSian politics.

Arun Madhav, Bharath K., Souromita, Madhurima, Bharathi, TK, Sanjukta, Hrishikesh, Abhinag, Buccha, Kishor, Rajkamal, Pruthvi, Mandar, Adarsh, Renju, Subbu, Raghu, Naser and Raju for being there to guide us whenever we went astray.

Surendra Malu, Kapil, Amit Goyal and the Pujaris; Mohan Kiran, Aditya and their wing for offering to help us.

Jitesh, Krishnasweta, Subhangi, Rahul V.J., Harish Setty, Vishaal, Satya, Rama, Lakshmi, Madhuri, Arshita, Neha, Chandana, Disha, Jaya, ND, Lash, Anand and DOPY forgiving me some of my best friends.

The broken bonds of friendship for teaching me that nothing is immortal in life.

Nihal, Popa, Ambix, Avirup, Goenka, Supratik and the last batch of Malite guys who taught me the BITSian ways of life.

Tagore, Dylan, Denver, Lennon, Bonny M. and Meat Loaf. I grew up with you.

Godard, Truffaut, Kurosawa and Ray. Thanks for your magic on the silver screen.

Don Bosco, Park Circus for giving me those lovely friends. Without Soumadri, Chiku, Mohar, Avirup, Ghosh and others constantly encouraging me and offering their expertise from all corners of the world I do not know where I would have been. The entire faculty of DBPC for always trusting me and letting me delve into the very depths of true knowledge. Thankyou, Madams and Sirs, I shall always be indebted to you.

Shiropa - cousin, friend, prank mate and the only girl who still pulls my ears!!!

My sister for being the only person I consider better than myself in this world.

I would like to thank my family for supporting me in whatever decision I have ever taken. Didima, Thakuma, Chotodidima, Gaurav and Joy for loving me so much.

Ma and Baba. I would never have dared to traverse this distance unless you had given me so much freedom to live my own life and differentiate between right and wrong. Without your constant support, I would never have had the courage to look beyond the boundaries.
