Transmission Electron Microscopy (TEM) From Fundamentals to Advanced Applications

SOPHISTICATED **A**NALYTICAL & **T**ECHNICAL **H**ELP **I**NSTITUTES

SATHI Foundation
BITS Pilani

Prof. Sankaran S.

Department of Metallurgical and
Materials Engineering

Speaker from

Indian Institute of Technology
Madras

OUTLINE OF TEM EXPERT TALK

Session I: Introduction to Transmission
Electron Microscopy and TEM Techniques

Session II: Advances and Applications of TEM

August 4th, 2026

4:00 pm – 6:30 pm (followed by Q&A
session)

Tea Break: 15 Mintues

Venue: J.C. Chaudhary, NAB Auditorium,
BITS Pilani
